

# Quality Inspector

## ONBOARDING PROCESS

# 01

## GETTING STARTED

Welcome to Stratosphere Quality! Please complete the new hire paperwork and watch the Orientation Video using the link sent to your personal email. You will be informed where and when to report to begin your new career with Stratosphere Quality. Visit our employee dashboard for more information. <https://www.stratospherequality.com/employee-dashboard/>

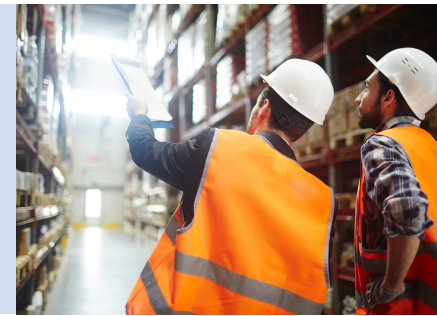

Stratosphere Quality is the industry leader in Sorting and Inspection services. Our expectations are that our Quality Inspectors uphold high levels of professional conduct, appearance and safe practices including wearing the proper PPE as required.

# 02

## SAFETY AND JOB EXPECTATION

Someone will greet you and help get you orientated to the worksite. You will learn about site specific rules and expectations, safety information, what we do and what your role will be in helping us deliver the best possible experience for our customer.

# 03

## DAY 1 EXPERIENCE

Your role as a Quality Inspector is critically important to our success! You will be trained to a work instruction on how to perform your job activities. You are expected to follow the process and not deviate. Someone will periodically audit you throughout the shift and be there to support you and answer questions.
