

Stratosphere Quality

CAREER PROGRESSION

Quality INSPECTORS

Does this sound like you?

- Are you career oriented?
- Do you demonstrate good communication habits and work ethic?
- Are you proactive, engaged in your work and ready to move forward at Stratosphere Quality?

You may be a fit for the role of Team Leader at Stratosphere Quality.

Team Leaders perform a full range of customer service and administrative duties. In addition, they monitor team members to ensure compliance with SQ procedures, policies and location-specific regulations.

Check with your Supervisor or local Recruiter for more information on these positions. Other positions may also be a fit for you at Stratosphere Quality.

Team LEADERS

Does this sound like you?

- Are you looking for additional growth and opportunity?
- Have you demonstrated the ability to lead others, or are you interested in learning how?
- Do you take pride in your work and are you proactive in what you do?

You may be a fit for the role of Project Supervisor at Stratosphere Quality.

Project Supervisors manage our internal teams and ensure efficient work processes and project results by communicating with clients and overseeing all work, job/safety requirements, and project details.
